RE: SD Highway 34 Four The Future Project

Dear Russell:

I am writing to convey my support for the SD Highway 34 Four The Future project to develop a four-lane highway between Madison and Interstate 29.

A four-lane highway would help to further advance economic development in Lake County and the Madison area, which will result in higher traffic. A four-lane highway would also help to mitigate safety concerns associated with increased traffic counts on SD Highway 34.

I thank the South Dakota Department of Transportation in advance for giving serious consideration to the SD Highway 34 Four The Future project due to the substantial benefits to this region of South Dakota.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Fiegen".
